FOR RELEASE JUNE 28, 2002

Air Guns

Randy's Ring & Pinion has 3/8" and 1/2" Ingersoll-Rand Air Guns in stock and ready to ship today.

The compact and lightweight 3/8" super duty air gun removes and replaces bolts up to 7/16" without a struggle. It can power up to 180 ft.-lbs, is unaffected by air pressure changes and has a pistol style grip. The 1/2" Super Duty wrench delivers up to 500 ft.-lbs. Torque at a free speed of 7,000 rpm's! It has a pistol grip with a variable speed trigger. This one can handle all heavy automotive and truck work.

Randy's Ring & Pinion now has two (2) locations to serve you faster from coast to coast.
