FOR RELEASE JUNE 28, 2002

Dana 50 4.56 Ring & Pinions from Randy's Ring & Pinion

Randy's Ring & Pinion now has Dana 50 4.56 ring & pinion sets in stock for F250, F350, and Super Duty front ends. These gears fit both the old Independent Front Suspension, and the new solid axle designs, without the need for a different carrier case. Randy's also has matching 4.56 ring & pinion sets in stock for the new 10.5" Ford rear ends as well as the older 10.25" Ford rear ends.
