FOR RELEASE JUNE 28, 2002

Heavy Duty Performance Yokes

Randy's Ring & Pinion has a complete line of heavy-duty yokes. Whether you drive a streetcar or a full blown racecar, our yokes come in the right application for you.

Choose options like Billet Steele, Aluminum, Forged, U-bolt or drag race couplers.

Randy's Ring & Pinion always stocks a full line of quality differential parts from the most complete line of master bearing and over haul kits to the best selection of ring & pinions in the country.

Editor's Contact: Dianna Lyn, at (800) 291-1360 ext. 5516, or visit our Web site at <http://www.ringpinion.com>.
