Toyota Reverse Drop Out High Pinion

Randy's Ring & Pinion now offers a Toyota 8" reverse drop out center section that fits any stock 8" housing, for front or rear applications, custom lifts, or extreme travel suspension, where extra clearance or better angles are helpful, these high pinion dropouts work great for better driveline angles and higher clearance. Give one of our sales representatives a call today and get your vehicle ready for whatever your off-road fun might be.
